

“It’s about time.”

More than just a slogan, “It’s about time” is the way Northern Hawk does business. For the residents of Vernon, and the entire North Okanagan region, there is no faster way to the Lower Mainland than flying with Northern Hawk.

When you travel with Northern Hawk between Vernon and Abbotsford or Vancouver you will receive:

- **The FASTEST way to the coast.** Flying with Northern Hawk from Vernon to Vancouver is *1 Hour and 10 Minutes* faster than traveling by Jet from the Kelowna Airport.
- **Executive Comfort at an Economy price.** Our pressurized turbo-prop aircraft are designed for your safety and comfort. 8 executive leather seats in a cabin that is quieter than most jets.
- **The Best Value for your dollar.** While there may be cheaper airfares around, our low fares combined with our time saving and hassle free service provide you the customer, with the very best value.
